We take pride in the fact that AHP receives a third of our business from referrals from satisfied clients and agents such as yourself. American Heritage Properties guarantees that when either an owner of a property referred to us wants to sell, or when a tenant referred to AHP wants to buy a home, we will notify the referring agent ASAP. **We do not even handle sales!**

To assist us in following through with this guarantee we ask that you take a few moments to complete the above information and return it to our office, at which time we will promptly notify your client.
